### Professional Summary

---

Backend Developer with 3+ years of experience in PHP, Laravel, and MySQL. Skilled in building scalable web applications, API integration, and database optimization. Strong background in enterprise-level projects, with expertise in clean architecture, security, and performance tuning.

### Work Experience

---

#### Software Engineer & Trainer | RTSoft Solutions LLP, Gondia | Jan 2022 – Present

- Built and optimized backend modules in Laravel and MySQL, reducing query execution time by 30%.
- Partnered with frontend developers to deliver responsive, cross-browser UIs using Bootstrap and Vue.js.
- Implemented secure authentication systems and role-based access control.
- Led deployment and release processes via cPanel, and handled bug tracking/version control with Git.

### Internship

---

#### Software Developer Intern | RTSoft Solutions, Gondia | Jun 2021 – Jan 2022

- Contributed to 5+ PHP-based projects, assisting college students with project development and debugging.
- Trained in **HTML, CSS, Bootstrap, and PHP** for front-end and back-end development.
- Collaborated with team members to build **responsive and user-friendly web applications**.

### Projects

---

- **Cooperative Society Management System** | Role: Backend Developer | Tech Stack: Laravel, PHP, MySQL, Bootstrap, jQuery
  - Built backend modules for **voucher entry, passbook printing, and loan account management**.
  - Implemented **dynamic form logic** for multiple account types using AJAX and Blade.
  - Developed **financial reports** (P&L, Balance Sheet, NPA Register, Trial Balance) for 1000+ members.
  - Integrated **role-based permissions** and managed deployment via cPanel.
- **Online Examination System** | Role: Full Stack Developer | Tech Stack: Laravel, MySQL
  - Designed and developed the admin dashboard for managing questions, results, and users.
  - Built a timer-based exam interface with automated result calculation.
  - Implemented secure authentication with sessions, validation, and token-based access.

### Key Skills

---

PHP, Laravel, MySQL, JavaScript, Vue.js, Bootstrap, HTML, CSS, Git, Postman

### Education

---

- **B.Voc** – RTM Nagpur University | 2019 – 2021 | CGPA: 9.09/10
- **HSC** – Maharashtra State Board of Secondary and Higher Secondary Education, Pune | 2017 | 66.46%
- **SSC** – Maharashtra State Board of Secondary and Higher Secondary Education, Pune | 2015 | 67.60%
